## Habakkuk 2:2-3

And the LORD  
answered me, and said,  
Write the vision, and  
make it plain upon  
tables, that he may run  
that readeth it.

For the vision is yet for an  
appointed time, but at the end  
it shall speak, and not lie:  
though it tarry, wait for it;  
because it will surely come, it

# Command Your Morning

We are new creatures. Old things  
have passed away, and all things  
have become new,.

For we are the head and not the  
tail, We are above and not  
beneath.

All the blessings of God are  
legally ours.

## Your Action Study Plan

### PRAYING FOR THE IMPOSSIBLE

To call forth the impossible into our lives and the lives of others we must understand that your bible is a legal document and a testimony to what God can and will do, when your will becomes his will.

- Every promise in that legal document belongs to you.
- God is standing by to recuse you when you miss the mark.
- Learn the different forms of prayer and how and when to use them.
- Line your prayers up with Gods will through praying the scriptures

When praying for the impossible know that God deals with **facts, evidence** and **proof**.

The **facts** of Gods **word** make a difference, Your faith is the evidence according to the Bible.

Hebrew 11:1 Now **faith** is the substance of things hoped for, the **evidence** of things not seen.

The **word** of God becomes **proof** to you and to the enemy that you have what you are believing for.

**1** God's compassion never fails, They are new every morning'

( Name what is new for you)

---

---

**2** God will work for you, Not against you, using his word you win.

Grab your journal and write how you want God to work for you!

---

---

**3** Meditate on the target and see yourself hitting it.

A joyful heart comes from knowing you win!

---

---

**4** Watch and pray, say you are bold and confidenant that your will is Gods will.

There is no hit or miss using the Word of God.

# STUDY START-UP

Write your own petition , don't try and use someone else because it will not work.

## Establish The Known Will Of God

This Petition is simply a pattern to declare your rights and privileges. When you write your petition based upon the word of God, you established the known will of God.

When you pray out loud, you build up your faith and what you already know. For faith cometh by hearing and hearing by the word of God.

Faith is essential to prayer, for faith is the recognition, and the commitment of yourself and your matters to the faithfulness of God.

When you are established in the known will of God, you can act with faith with nothing wavering so that you can receive from the Lord what he has already promised you..

When you pray your petition, you should pray it as a present possession as if you already possess it. Say that faith is in the now. Not in the past or the future. It is the present. There is a certainty to it.

If time passes and the petition that you made doesn't feel like you have it, go back and read it again until it gets down on the inside of you so that you know that you know. For without faith it is impossible to please God.

# Prayers

## The prayer you write

The prayers I write are in the music I hear. What causes you to see words of prayer come alive.

Lord, we call to you to step into our lives and take over; when we have lost our way, let this be our prayer that you always hear we are safe and free in the arms of the Lord, rescue us.

Lord, lead us on your path where your blessings flow. We can find the guiding light that belongs to us, which gives us the power to speak to the mountain, and the mountain melts down and becomes fertile ground from which we can reap a harvest.

Lord reveal to us all that's needed to know your strength when we are weak to become strong. Lord, when you talk to the dark valleys in our lives, you give light so that we can worship before you and hear of your great mercy and blessing.

In the valley, we received the Breath of strength, the Breath of life, the Breath to move forward. You are all around us. You have given us your words to use to be more like you.

Lord, I know when the waves of the world seem as though they are overtaking us and it seems as though our light is growing dim, I know you are beside us, and you will open the overflowing seas and allow us to walk through and all that we have lost you will enable us to recover.

Lord, we come unto you each day, and we are awakened, renewed, and refreshed as you take our hand and lead us through the day. There's no better love than the love you give, no grace or mercy we choose to have that is sufficient except that it comes from you.

In Jesus Name Amen!

# *Trust And Believe*

## **The Blessings Are Yours Already**

If you will allow the Holy Spirit to lead you. You can write your petition under the anointing of the Holy Spirit. Once you are in agreement with God's word, you can be sure that. Is a part of his will for whatever you are writing your petition for

.It is our job to put God in remembrance of his word. Are there 43 tells us to his word is his will when someone writes out his or her will they are writing a legal document. All we need is someone to execute it as we assign it. To the heavenly round.

Then we need someone that is responsible to carry out the instructions that God has given. This legal document belongs to us, but we are writing it out to God. The most high God. Once the petition has been established. And your petition is in line with the will of God the legal side. Is established and you can begin to experience the vital side. (that finished work)

Other words, you can't start living in the house that you've purchased until the legal paperwork has been written, signed, and filed. The vital sign. Is living in the house. The legal side? Is getting everything prepared before you move in.

Word of God becomes proof to you and to the enemy that you have what you are believing for.

God is the Highest God.

He is the Supreme Judge of the universe. The judge that decrees a thing and pass judgement on it.

Jesus, you have an Advocate, He is the Lawyer who pleads your case. He uses the words you speak to plead your case.

The Holy Spirit, who is the sheriff, is an enforcer making sure God's Word is carried out on the earth.

Knowing the will of God in a particular area, give you faith to speak it, write it and command it, when we turn all things over to the Trinity they say Yes when men say No, allowing you to move forward as they make it happen.

God masterfully communicates His perfect plan to us through his word and his people whom he has called.

•God's divine plan and purpose for our lives is proclaimed throughout the bible Intimately linked together with us through Jesus.

He reveals to us His will and His way, and we are to rehearse it, step-by-step, It is the good news of his love for us and calling forth the impossible into our lives and the lives of others.
